

Dear Valued Customer

Enclosed you will find my price list and schedule for fall shutdowns.

As always, I will call 2-3 days ahead of schedule to set an exact time/day with you.

If you have any changes/concerns; please text/call me at 952-448-5720 or email [jmoody55317@earthlink.net](mailto:jmoody55317@earthlink.net).

As a reminder, the only services I will be performing from now on are fall shutdowns. And the only letter you will be receiving will be in early September of each year.

Thank you,  
Jeff Moody
