

Dear Valued Customers,

You are receiving this text because I shut down your sprinkler system last year or you requested my schedule for this year.

Below, you will find my price/schedule for the 2026 Fall shut down season.

If you wish to be removed from my customer list or you would like to change something, please call or text me at 952-448-5720.

Otherwise, I will contact you 2 to 3 days ahead of the schedule to set up an exact time and day for a sprinkler system shut down

Thank you
Jeff Moody
